# Pain IN THE Grass

There is no such thing as splendor in the grass when Danielle and Brandi Wine meet up. These two have disliked each other so long they have forgotten the original reason for the feud.

*Never count a woman out until she is out. The tables can turn quickly in a catfight and usually do. A lot depends on who is pissed off more, and in this case, it's a tie.*

The two ladies were set to do two different shoots at the same location and the photographer made sure they were scheduled at different times. But Brandi arrived early and it didn't take long before the two were rolling around in the grass scratching and clawing each other. The photographer didn't try to stop the fight, instead he continued to shoot and captured a real knock-down drag-out catfight. It started when Brandi interrupted Danielle's session to show her how she should pose, then things got down and dirty.

Brandi seemed to be winning early on, using a chokehold and a scissorlock to take some of the fight out of her opponent. But Danielle managed to turn the tables by sinking her nails into Brandi's tit and not letting go. Most men don't realize that a woman's breasts are very sensitive, but of course women do and when they get into a scrap, the tits are a prime target. Once on her feet, Danielle got behind Brandi, choking her with her own pearl necklace until she almost passed out.

Danielle continued to use articles of clothing to her advantage, stomping Brandi in the stomach with her spikes, hitting Brandi with her own shoe and then choking her with her scarf. Talk about knowing how to accessorize! Some people think that brunettes are tougher than blondes, but Danielle disproves that theory as she wrestles Brandi over on her back and pins her, not easing up until Brandi cries "uncle." Danielle takes full advantage of the situation, telling Brandi, "While you're down there you might as well suck on my pussy, bitch."

**"We now savagely yanked each other all around the room until Diane slammed me against the wall, banging my head while lashing out with her knee. I was really getting hurt, so I went after her face, clawing and grabbing at her eyes and nose and anything else I could grab..."**

Hi! My name is Lisa and I recently married an older man. We'd been married about three months when Mike told me his ex had been calling him at work to get together for a nice long talk. I told him to tell her that his new wife said she would have to talk to her first. Just the two of us women present if she understood what I was saying. Mike said she'd understand.

Later on that week, I asked Mike to tell me about Diane, his ex. He told me she was forty-six, 5'7" tall, 36-26-38, 146 pounds, with long straight brown hair. He also said she had the temper and morals of an alleycat.

All that morning I found myself comparing myself to Diane. I'm twenty-six-years-old, 5'9" tall, 33-24-35, 130 pounds, with long tangled blonde hair. I also have the same temperament as Diane and I knew that if we ever met, there wouldn't be much talking.

That afternoon, I was looking at a magazine, trying to relax when I heard the front door slam. I ran into the room and there stood a woman that I knew had to be Diane. I stopped and we glared at each other like two cats sizing each other up. Diane broke the silence as she said, "I came for our little talk! And here it is short and sweet. I want Mike back and I don't think you're woman enough to do anything about it! And if you're smart, you won't even try!" Placing her hands on her hips, she waited for my response.

I calmly laid down the book I held and looked her right in the eyes, telling her, "Look you old bitch! Mike is my husband and this is *my* house...so unless you want to find out how much woman I really am, I suggest you get out right now before I throw you out!"

Diane kicked off her shoes while she removed her jewelry and then pulled her dress up over her head saying, "Okay you little tramp! Throw me out if you think you're woman enough!" I quickly yanked off my clothes as I told her, "Okay you bitch! You want a fight, well, baby, you got one!"

We charged each other and crashed to the floor, rolling over and over, scratching, biting, kicking and slapping while pulling hair and cursing each other. I was yanking on Diane's hair when she bit me on the neck and clawed my back. I sunk my nails into the back of her thighs and ripped as we both let go and quickly got to our knees. We grabbed two handfuls of hair each and got slowly to our feet.

We now savagely yanked each other all around the room until Diane slammed me against the wall, banging my head while lashing out with her knee. I was really getting hurt, so I went after her face, clawing and grabbing at her eyes and nose and anything else I could

grab. Now it was Diane trying to get away as I punched her in the face. But it was a weak punch that didn't hurt her at all and as Diane stepped back, I quickly moved away from the wall.

Diane tried to kick me, but I caught her leg and threw her to the floor and dove on top of her. But she grabbed the crotch of my panties and yanked viciously, causing me to roll off of her screaming like a wounded animal. Diane jumped on my stomach and started slapping my face. I reached up and grabbed her bra and pulled her off of me and onto her side as we ended up in a bearhug. Our feet and legs were kicking and scissoring as we each tried to roll the other one over to get on top.

I finally sank my teeth into Diane's shoulder and she released her arms. I rolled over got to my knees and grabbed Diane's bra yanking it off her big boobs. Then Diane kicked out at me with both her feet, knocking me onto my back. She scrambled after me and started choking me with one hand and trying to rip my bra off with the other. But my bra managed to stay on only covering my left boob leaving my right boob slipping out from the torn material.

I had one hand on the arm choking me and with the other hand, I grabbed her big left boob and squeezed. She screamed and clawed my face, but I pulled her off as we lay facing each other on our sides. I tried to grab her hair, but she grabbed my arm, and then my bare nipple pulling and twisting it. I was trying to ignore the pain as I attacked Diane's much larger boobs and we continued this for at least a full minute until we finally rolled away getting on our knees.

We were both rubbing our boobs when Diane screamed and dove at me. We wrestled each other on our knees until I finally got Diane onto her back and quickly shoved my hand inside Di-

ane's panties and yanked as hard as I could. I quickly shifted my body so I was straddling her boobs. Now, I was bouncing up and down on her boobs with my ass while trying to yank her pussy bald with my bare hands.

I thought I had her, but she grabbed my long hair and yanked me back. Then, wrapping her arms around my back and throwing me off of her we both were finally on our knees, glaring at each other. I told her to come on since she wanted this fight and we'd see who the better woman once and for all.

Diane almost growled at me as I call her an old cow! She said, "Okay you little slut! Let's really make it woman to woman if you know what I mean?"

She began to remove her bra from its useless position up over her boobs and threw it aside. Then she ripped off her panties revealing her very hairy pussy and then throwing her panties in my face saying, "Come on you puny titted little slut! Woman to woman! Anything goes and winner takes all!"

Well, I quickly ripped off my bra and panties baring my equally hairy pussy. Almost as soon as I looked up, Diane slapped me as hard as she could. I slapped her back and we exchanged two more slapping rounds before diving at each other, slapping, clawing and pulling hair. I was mauling Diane's big boobs when she punched me in the mouth and then in the eye, knocking me back. She continued swinging and caught me right in my left boob. I was hurt and she knew it. She grabbed my hair and threw me onto the couch face down. Then she jumped on my back, knees first and started choking me from behind. I rolled off the couch and onto my knees.

As Diane started to get up, I punched her in the nose and then the jaw. Diane was hurt, but she grabbed a handful of pussy hair and clawed my left boob, as she got to her knees. My arms continued to flail about wildly as my hands searched for something to claw or grab. Diane was trying to move close and use her weight to push me down. When she

finally opened her legs, I got an equally savage grip on her pussy while my other hand clamped onto one of her boobs. We both knew this couldn't last much longer since we were on our knees, leaning forward against each other with handfuls of tit and pussy hair, neither one trying to move.

We stayed like that for a long time until we were both crying, moaning and cursing all at the same time. I bit Diane on the neck and then punched her real hard in the pussy, pushing her on her back. Then I scrambled over her prone body and sat right on her face, bouncing up and down while mauling her big boobs. Diane was moaning, "I give! I give!" So I tightened my thighs and ass around her face until she was limp and then turned her over and smacked her ass until it was bright red. By then she was begging me to stop.

I then went over and fell back onto the couch telling her to get her clothes and get out. I told her if she ever wanted a rematch, she had the key to the front door.

Diane got dressed and quickly rushed out the door, never speaking but glaring at me the entire time. To tell you the truth, the way I felt the next day, I hope she doesn't use that key, but I knew that feeling would change as soon as she or any other woman came to my house looking for a fight or giving me a hard time. Because I don't like any female competition or rivalry. —Lisa, The Tiger, Florida.

**"I could see fire in my wife's eyes as she listened to Renee. Then Mary said, 'Okay, Miss Hot Stuff, how would you like to come on in and I'll give you just what you deserve?' Renee followed Mary in and I knew I was going to enjoy this no matter what happened..."**

I hadn't read *Cavalier* for a few years, but after a recent experience, I went out and purchased a copy to see if you still featured catfight letters. I was pleased to find the "Fight Time" section was still a popular part of the magazine and felt *Cavalier* readers would like to hear about an interesting fight. My wife, Mary, and I live in an apartment com-

plex in the suburbs which features a pool in the center courtyard. It was a hot and humid Saturday afternoon and there was a large crowd at the pool. Garnering most of the attention was Renee. Renee is a nineteen-year-old with thick, long jet black hair. She lives with her aunt.

From the day Renee began developing at age twelve, she knew the boys were watching her. As a teenager just filling

out, Renee never let an opportunity to show off for the boys pass. As she got older a few of the men were counting the days until she reached eighteen. I never remember Mary or any of the other wives or girlfriends being upset with Renee. I guess they just tried to ignore her. Although it wasn't easy to ignore Renee...5'8", 145 pounds, 40D-27-39 inch body. Especially when she's wear-

ing a bikini that leaves nothing to the imagination. It seemed like Renee was even more the tease than normal, jumping in the pool, making a big splash and occasionally letting one or both of her huge jugs slip out of her top for effect, or grabbing some of the guys, including me, under the water.

Finally, my wife had seen enough and walked over to Renee and they talked for

# "Dream Fights"

How about a few pages every issue in your magazine about the dream fights? Here's a start. It's a dream fight tournament with different divisions. — B.R. Idaho.

Dream Fights, Blonde Division. The warriors are: Sybil Danning, Linda Evans, Judy Landers, Vanna White, Cybill Shepherd, Dolly Parton, Madonna, and Lisa Hartman. In the first battle, Linda Evans stuns the tough Sybil with a gut punching and a match ending chest straddle. Then Judy creams Vanna with some brutal pussy stomping. Cybill then is overpowered and knocked senseless by Dolly as Lisa pins Madonna and pounds her big tits black and blue.

Semi-finals: Linda pins the busty Judy and sits on her face in victory. Lisa attacks Dolly's huge tits from every angle, and a teary-eyed Dolly passes out from the pain.

Blondes championship fight: Linda comes from behind to punch Lisa to the floor and pin her. Sexy Linda ends it by sticking her big tits in Lisa's face, smothering the beaten beauty into oblivion.

Dream Fights, Brunette Division. The combatants are Linda Carter, Jane Seymour, Valerie Bertinelli, Connie Selleca, Raquel Welch, Leslie Ann Warren, Catherine Bach and Kristie Alley. Linda opens the tournament by slapping Jane silly and unconscious. Then Connie Selleca survives a breast mauling by Valerie and chokes Ms. Bertinelli unconscious.

Raquel outpunches Leslie and erotically sits on the beaten beauty's face and Catherine can't handle sexy Kristie's hard fists and it's a bloody knockout for Kristie.

Semi-finals: Linda's knee to Connie's pussy ends it for the Hotel star as Linda tit mauls poor Connie in victory. Kristie ends a punching brawl with Raquel by kicking the legendary sex symbol in the mouth and choking her unconscious with Raquel's own bikini top.

Championship, Brunette Fight: Both girls end up naked and clutching each other's large breasts, but Kristie's nails dig a little deeper and a well placed left to the jaw gives Kristie the title as she sits on Linda's massive breasts in victory.

Dream Fights, Redhead Division. The battlers are: Ann-Margret, Jacqueline Zeman, Stephanie Powers, Bette Midler, Jill St. John, Shirley MacLaine, Victoria Principal and Jane

Fonda. Young Jacki leads it off with a tit wrenching war with Ann Margret. Jacki knocks the legendary superstar out then chews on Ann's mouth-watering nipples in violent victory.

Stephanie Powers gets creamed by Bette then Shirley almost tears Jill St. John's tits off in easy victory. Victoria Principal shows Jane Fonda who's the fitness king by punching Jane out and sitting on her face. Jacki wraps her legs around Bette's tits and squeezes her unconscious. Then in a hellcat war, Victoria pounds Shirley's head into the wall until she's unconscious.

Championship fight: Victoria has the incredible looking Jacki on her back pounding on her luscious navel when Jacki throws Victoria off of her and grabs her in a pussy claw. Then with the other hand, bashes Vicky in the mouth until she's beaten and on her back. Jacki then forces the begging loser to eat her pussy as Jacki sits on Victoria's face, slapping her huge tits black and blue.

Porn Star, Dream Fight Division. The vixens are: Seka, Kitten, Annie Owens, Lisa DeLeeuw, Uschi, Candy, Marilyn Chambers and Vanessa Del Rio.

Seka punishes Kitten's tits in victory in the first fight. Then Lisa DeLeeuw out punches tough Annie Owens leaving the big titted tough broad with a bloody face, her tits mauled and her pussy mangled. Lisa didn't look much better, but she proved to be as tough before she punched her unconscious. Then Uschi destroyed Marilyn easily. Candy had a tough time with Vanessa, but a fist up her pussy put Vanessa into dreamland.

Lisa outslugged Seka and sat on her face then Uschi and Candy had the ultimate showdown between the most awesome set of tits of our time. A great fight ended when Candy, laughingly holding on to the almost unconscious and beaten Uschi by the hair says, "Goodnight bitch!" And with that unleashed an awesome punch to Uschi's jaw that knocked her out. Candy celebrates cruelly by standing on Uschi's chest in victory. But it's Lisa who proves to be the baddest as she slugs Candy silly and smothers her unconscious with her own set of huge knockers. Lisa sits on Candy's pussy in contempt.

Three... cheers for the champions... Linda Evans, Kristie Alley, Jacki Zeman and Lisa DeLeeuw.

a few moments. Renee walked off and left the pool. When Mary returned, I asked her what she said. "I told her that if she didn't stop her little act, I'd give her the spanking she deserved!" Mary has just the temper to do it too. She's thirty-one-years-old, stands, 5'7" tall, weighs a fabulous 130 pounds and measures 37C-24-36. She also has long straight black hair.

That evening, Mary went to the store and while she was gone, the doorbell rang. Renee was at the door! She asked if Mary was home and I told her no. She then went into a little cockteasing routine. Renee had on a halter top that offered a spectacular view of her chest and a pair of baggy long shorts. I was so busy staring at Renee's enormous cleavage that I didn't notice Mary walking up behind her with a bag of groceries in her hand.

Suddenly, Renee lunged forward as Mary gave her a boot in her big butt. Renee was quite surprised and jumped back into the hall, allowing Mary to come through the doorway where she turned to Renee and said, "And what can I do for you?" Renee regained her composure and started telling my wife that she had just come over to give Mary the chance to apologize for what she had said that afternoon.

I could see fire in my wife's eyes as she listened to Renee. Then Mary said, "Okay Miss Hot Stuff, how would you like to come on in and I'll give you just what you deserve?" Renee followed Mary in and I knew I was going to enjoy this no matter what happened.

Mary put the groceries in the kitchen and returned to stand face to face with Renee in the center of the living room. Mary was wearing a pair of cut-off jeans that allowed just a hint of her gorgeous ass to hang out and a half T-shirt that hung just under her firm chest showing off her flat tummy. For what seemed like the longest time they just stared at each other until Mary reached up grabbing two handfuls of Renee's thick hair. Mary pulled Renee from side to side by the hair but was unable to throw the teenager down on the floor. Renee bent forward in an attempt to escape my wife's grip, but Mary shifted her attack and got Renee in a front headlock. Mary was in control until Renee started pulling Mary's shirt forward and partially off.

Mary tried to keep her shirt in place, but in doing so, let Renee slip out of the headlock and Renee managed to tear Mary's shirt almost off.

Mary tossed away the remains of her shirt and went at Renee's halter top. Renee tried to fend off my wife, but she was obsessed with stripping Renee's top and it tore away during a furious struggle leaving both women bare chested and me with a raging hard-on!

Mary seemed to be surprised at the sight of Renee's huge melons. They were very firm for their size. Renee noticed my wife's look of astonishment and took a deep breath inflating her chest to it's maximum dick-stiffening size. Mary looked at me, then rushed at her opponent again, grabbing Renee by the hair with both hands. Mary shook Renee's head for a moment as Renee wound up and planted her right fist in Mary's stomach. This stopped Mary from shaking Renee's head.

Renee came back with a second right to my wife's midsection that caused her to drop her hands from their grip on Renee's hair. Mary was holding her hands over her stomach and was completely unprepared for Renee's next punch, a left that landed square in her hot pussy. With that blow Mary fell forward into Renee's arms. Renee put her arms around Mary's back and lifted her off the floor in a bearhug. Mary's beautiful firm tits were overwhelmed by Renee's huge jugs. Mary was watching as she could only look down and see herself smashed flat as Renee bounced her up and down in her arms.

Renee gave Mary a final back breaking squeeze before letting her limp body fall to the floor. Mary could not do anything more than lie on her back gasping for breath while Renee stood over her with her hands on her hips looking down at her beaten foe. Mary was obviously played out, but Renee wasn't quite finished yet. She sat down on Mary's stomach facing her feet and proceeded to strip off my wife's shorts and panties.

Renee then pulled Mary by the hair to the sofa where she put her across her lap and began spanking my wife. Renee counted with each hard slap until she reached twenty and Mary's ass was red from Renee's swats and her face, just as red with the complete embarrassment she had suffered in front of her husband

at the hands of a teenager. Renee rolled Mary off of her lap and onto the floor as Mary was crying uncontrollably and crawled then ran into the bedroom closing the door behind her.

That was a couple of days ago. I haven't said anything to Mary about it and she hasn't brought up the subject, but Mary isn't the type to let things just end. I think she might be looking to even the score with big-titted Renee. I'm going to keep you informed. Maybe there will be more to this story.

My friend is the kind of guy girls just flip over. He's got the looks and the personality that drives them into a sexual feeding frenzy. It's fun just to hang around him, because things tend to happen wherever he goes.

I was visiting him at his house at the shore in August when a full-scale catfight broke out between two sisters. It was so good, I had to share it with your readers.

I was in the back room when the girls arrived. People came and went constantly in that house, and the girls didn't seem to know I was there. In fact, they didn't notice anything but my friend. Karen, the older one, was his girlfriend of the week. She was about twenty-eight, tall and bony, with skin tanned like leather. Karen was a shore slut, with active little green eyes and crooked teeth, but she exuded sexual energy. She was pretty slim-hipped. Karen wore a black sundress, skin tight with no bra.

Karen brought her sister with her, Eileen. Eileen was a teenager with wide brown eyes and fresh firm skin. Her long straight auburn hair fell softly down her back like silk. She wore a skimpy white ruffled tube top and soft cotton jeans slung low and tight on her young hips. Eileen still has a layer of soft baby fat on her face, belly and ass, but her skin was

## **"Karen grabbed Eileen's hair and shook her head like a rattle, screaming, 'You bitch!'"**

made-up and her eyebrows were plucked like an older woman's.

I kept out of sight in the back room. It was fun to watch these two drool over my friend. They all flirted openly. Eileen evidently had no problem muscling in on her big sister's turf. My friend, as usual, encouraged them both.

Well, Eileen walked back to the bathroom and I saw her check out her make-up. She swiveled to check her body in the mirror as she pushed up her tube top to make her budding breasts look bigger.

When she came back, my friend offered to get a pizza while the girls waited in the house. He was barely out the door when they went at each other. Karen laid into her sister for trying to steal a man from her. Eileen pointed out that there was nothing official going on between them and if he preferred a younger girl, well, that was his choice. Pretty soon the language got really choice.

"I wouldn't blame him if he didn't want to fuck an ugly old cunt like you," Eileen said. And with that remark, that started the brawl. Karen grabbed Eileen's hair and shook her head like a rattle, screaming, "You bitch!"

Eileen squealed and raised her hands to fend off Karen. That left Eileen's supple young body wide open to the punch that Karen slammed into her belly. Karen's fist flattened Eileen's stomach with a solid thump. Karen hit the young redhead with the flat of her fist, and the power behind her thrust, squeezed the breath out of Eileen's guts. "Oof!" she said as she clutched her bare belly.

Karen grabbed her sister by the hair again and banged the back of Eileen's head hard against the wood paneling. Eileen's eyes rolled in their sockets as she slumped against the wall. Karen whopped her right in the belly again and Karen's bony fist sank deep into Eileen's fleshy pale belly. Eileen moaned and doubled over.

Karen was white knuckled with rage. Tendons stood out on her neck and forehead. She was a furious animal as she sank her talons into her sister's long hair and hurled Eileen back against the wall. Eileen's young flesh jiggled as her body slammed back into the wood. She re-

mained upright, stunned.

The older girl torqued her shoulders and pounded an uppercut knuckle punch into the pit of Eileen's stomach. Karen threw her full weight into the punch and it looked like she had knocked her body with gut-busting pain. Eileen's eyes bulged and her open mouth gasped silently. Karen braced Eileen's shoulders, then stepped forward and kicked her knee up between Eileen's thighs. I saw the top of Karen's bony knee slam into the bottom of Eileen's young pussy.

The younger sister stiffened like she'd been shot with a bolt of lightning. A high-pitched gasping wail curled from her lips and she slowly sank to her knees, then over onto her side on the carpet. Eileen lay there with her hands pressed between her thighs. Karen walked away and by the time my friend got back, Eileen was back on her feet.

Neither girl said a word about the fight and for the rest of the afternoon, Karen flirted with my friend, while Eileen sat quietly on the couch. Eileen sat there with her hand resting lightly on her bare plump belly as the only sign of the vicious beating she had taken at Karen's hands. —D.H., Pennsylvania

**"But the surprise was most of my toughest confrontations involved women and girls. I really took my lumps in those three years. It's one thing to think that you can handle people physically, especially women, but it's a whole different ball game when it comes to actual physical confrontations..."**

Several months ago, I picked up a copy of *Cavalier* because it looked interesting. I found it very entertaining and haven't missed an issue since. I was surprised at some of the "Fight Time" letters. I was never into male vs. female fights as much as some of those letter writers, but I have a story that I know will interest anyone who is. What makes my story different though, is that it doesn't focus on just one incident because there were many.

Let me start by describing myself. I am twenty-eight-years-old, male, stand 5'9" tall and my weight fluctuates between 145-150 pounds. For about four years now, I've worked in the undercover security business for a chain of department stores. I've recently been promoted to a supervisory position where I spend most of my time in an office. But for three years plus, I was a store detective. My job was simply to catch shoplifters. By law, a person is considered to be shoplifting as soon as he or she conceals an item, but to make sure, I would usually wait until the person left the store to bust them. Then I'd check them for stolen property and if they had any, I was to handcuff them and bring them back into the store. Sometimes the police would be notified, depending on the circumstances, and I'd take a picture and make records of the people and the stolen goods.

There's always a great deal of shoplifting going on. As I became more experienced, it was easier to catch people, but one thing that was seldom easy, was handcuffing the people and dragging them back into the store.

Some of these people were real criminals, but many were people who could afford to pay for what they stole and many couldn't explain why they did it. They all did have one thing in common, they didn't like being caught and especially hated being cuffed. Quite predictably, I had a lot of violent struggles with people. But the surprise was most of my toughest confrontations involved women and girls. I really took my lumps in those three years. It's one thing to think that you can handle people physically, especially women, but it's a whole different ball game when it comes to actual physical confrontations. You find that sometimes they aren't as strong or as tough as they look, but more often, you find that you've underestimated them.

A lot of my worst experiences came when I was new on the job. Not that it was any trouble catching people in the act, the people would practically steal right in front of my face. But I had a lot to learn about apprehending people. I soon realized that at my size, I had to learn how to do my job without getting my ass kicked and looking like a fool. I never expected to have much trouble with women, but they do shoplift and believe

me, they do fight, too. I've never been seriously hurt at work nor have I hurt anyone badly, but I have suffered many cuts and bruises, including black eyes and busted lips. I've been kicked, punched, had clumps of my hair pulled out, been dug into by spiked heels, had my balls kicked, punched, and grabbed, and women have inflicted the majority of the punishment. This may not sound believable, but I assure you it does happen on an almost daily basis.

The biggest problem was that I was usually working alone. There was sometimes another detective working, but he never seemed to be around when I needed him. So I had to be smart. Many times I failed to confront a big or tough looking man who shoplifted and if I did, I'd often agree to let him go if he returned what he stole. Because of this, I had a few fights with men, but with women, it was different. I guess it was a matter of pride, but I never avoided confronting a female shoplifter. I paid the price many times and became wary of big women and groups of women. I found out the hard way that there were women who could overpower me, especially in a desperate situation. I had hundreds of collars on the job and had dozens of altercations, but a few will always stand out in my mind.

About the worst I was ever hurt by a woman was by a big redhead bitch who looked to be in her mid-twenties. She was considerably taller than I was and had to have weighed well over 200 pounds. I saw her load her bag with shirts and I followed her out. I knew she was going to be trouble and my heart

was pounding. I stopped her and my worst fears became reality. This bitch was strong and there was no way I was getting the cuffs on her. I tried to drag her back inside, and before I knew it, I was on the ground with her on top of me. She was punching away and crushing me for several minutes before I was rescued by two store employees who saw what was going on. They got her off me but they couldn't handle her either and she got away, but without the shirts. She blackened both of my eyes and my ribs hurt for a long time. I missed a few days of work, but I knew I was still fortunate. Who knows how badly I'd have been hurt if I hadn't got help.

Another time I made the mistake of going after two teenage Hispanic girls who I saw stealing jewelry. They turned out to be tough girls. The end result was a busted lip, some deep bruises and some bald spots on my head. I had a lot of trouble with teenage girls. Another one, a hefty brunette who looked older than sixteen or seventeen, pretended she was giving up after I chased her in back of the store. Obviously streetwise, she grabbed my genitals so hard I afraid she ruptured me. Then she kicked me up pretty bad and escaped. I needed medical attention after that one, but my pride hurt more than my body. Imagine, a sixteen-year-old? Unbelievable!

Of course, I also had my problems with middle-aged women. One woman who was in her late thirties gave me a hell of a fight. She was a very attractive woman and the only reason I caught her stealing was because I followed her around the store to get another look at

her nice face and very muscular legs. Outside, it took me what had to be a good five minutes to get her cuffed. She must've weighed as much as I did and for a while, she was outwrestling me. When I finally got on top of her, she dug her heels into my sides and legs. I had marks and cuts all over. She turned out to be the wife of a business executive.

Yes, it was really a struggle at times, but I enjoyed the challenge. I don't patrol the stores anymore with my new assignment and I miss it at times, but I don't miss the cuts and bruises. I really don't enjoy violence, I was just doing my job.

I'm in charge of hiring new people now and in interviews I tell them exactly what they're getting into. I'd suggest only big, strong people take this job. One reason I feel a lot of those women got rough was because I was small and they figured they could handle me. I just hired a guy who's only about 5'7" and must weigh about 135 pounds, he's gonna get hammered and I told him so. I also told him to watch out for those women since some of those bitches can get pretty nasty and they're not afraid to fight.—S.R., New York City.

**"The intense pain in my nuts was beginning to subside and I started to struggle to get free. This brought a sharp slap to my tender nuts. I heard someone say that if I tried it again, the next time it would be harder..."**

The letter I read in Cavalier from S.D., in which she kicked a guy stronger than her in the nuts and smeared his own cum all over him, prompted me to write you about a similar experience I had years ago.

While attending a small local college, I found a place to hide in order to watch the girls who took phys-ed classes change, shower and dress. It was a balcony that overlooked the hallway coming from the showers to the lockers. I'd go in before classes would start and hide in the darkened balcony, strip off my pants and then jerk-off while watching the girls dress and undress. Usually I'd be on my knees leaning forward so I could see everything. My cock in hand, I'd jerk-off to my favorite gal named

**"Here comes that bully who kicked sand in your face last year. This time let me handle him."**

Mary. She had blonde hair and big tits with a shaved pussy.

I got to see all the pussy I could stand since three other classes followed Mary's.

One day, while watching for Mary, my cock in hand, I heard a noise behind me. I started to run, but I was too late, I felt a foot come crashing up between my legs from behind, connecting with my hanging balls. I fell forward on the floor just barely aware of what had happened. Then I heard Mary yell, "I got him girls! Come and help me get him down." The only thing I could think about was the terrible thumping in my nuts!

Several hands grabbed my arms and legs and partially carried but mostly dragged me down the steps to the locker room. I was then placed on my back on one of the benches used for dressing. Pantyhose was used to tie my hands together over my head and to the bench. My legs were spread and my ankles tied together under the bench. A blindfold was quickly put on my eyes and I heard Mary say, "Now he won't be able to see what is really happening to him!"

The intense pain in my nuts was beginning to subside and I started to strug-

gle to get free. This brought a sharp slap to my tender nuts. I heard someone say that if I tried it again, the next time it would be harder. Another voice said that I didn't look that hard and that remark brought laughter from everyone.

I felt a hand encircle the head of my cock and begin rolling it around and pulling at the same time. In no time, I was hard; one of the girls said I was getting hot. The hand continued to pump me with a slow steady motion and a voice which I recognized as Mary's asked me if I wanted to be made really hot. I shook my head yes.

Something was smeared on my cock and balls and it had a familiar smell to it. I recognized it as Ben Gay. Mary said, "Maybe this will take the soreness out of your balls and keep it from spreading into your cock." This brought laughter all around me. I could feel the fire of the lotion spreading and heating my tender nuts and they felt like they were burning off. Plus my cock was thumping from the combination of the burning and the hardon.

A hand returned to my cock and began rapidly stroking. Despite the burning pain, I soon was coming all over

myself. The hand smeared the cum all over my stomach and chest. I could detect a number of flashes of light during the time I was being jerked off and the smearing after. Then I felt several hands smearing what felt like soap all over me and on my cock and balls which brought relief from the Ben Gay. They continued to do this on my legs and chest. Then I felt the scraping all over my body and when it reached my pubic area, I couldn't tell for sure what they were doing. Suddenly it dawned on me...they were shaving my entire body! I felt my nuts being bunched up in their sack and shaved clean, my cock was stretched out and shaved. Someone questioned how they were going to get the back of my legs and ass the way I was tied, so they simply wrapped a pantyhose around my nuts, tied it tight and ran it under and around the bench telling me that if I wanted to jump, I'd jerk my balls off.

After shaving my legs and ass, they raised my legs back over my head and giggling, they said there was more than one way to pluck a chicken. Mary said it was a shame I was already circumcized because they'd take care of that too. The girls laughed and I shivered. My legs were tied and more flashes of light came. Then all was quiet.

Soon I heard footsteps again, the next class was coming in. I was jerked off again and I remained tied up. There was no talking, only laughter. I felt something cold spread all over me like water, it had no smell, but it followed by more flashes of light and quiet.

Finally, the third class came in. They were the last class and by this time my nuts were about numb from being tied and my cock was sore from the constant jerking off. Nevertheless, the jerking off continued. I was finally left alone and when I got my hands loose, I removed the blindfold and sat up. All my body hair had been shaved and my entire body had been dyed green. I also found no sight of my clothes, they'd been removed. There was a note saying that if I told the administrator anything about this it would be worse the next time. I had to wait until dark to slip out and back to my room. The pictures floated around the campus of a naked guy that had no body hair and was green. I guess I really learned a lesson. —Green Peeper, Pennsylvania.

#### SHELLY III

##### "1,001 Arabian Fights"

Sexy, busty, Private Eye Shelly returns in an action packed, full length, two part feature. She is hired by a Shiek to uncover a coup to take over his country planned by evil Prince Rubal. Shelly intercepts Retina, a spy for the Princes' allies, and chases her into the woods. Shelly batters Retina, her milky white skin turning raw from rubbing against the bark of the trees. The relentless pounding she takes forces Retina to divulge the location of the Prince. Retina tries to escape but is nabbed by Shelly's assistant Betty. The sensuous contrast of Retina's alabaster skin against the firm, bronzed limbs of Betty, combined with the sexy black stockings made the battle a feast for the eyes.

Shelly substitutes herself for Retina and infiltrates the home of the Prince. She tries to seduce him and incurs the wrath of Princess Zorna. All looks good for Shelly until her arch rival, the bountiful Quisha shows up and blows Shelly's cover. To the delight of the Prince, the two wanton women take turns at pounding and punching Shelly. Three gorgeous bodies battle their way to exhaustion and destruction as their six huge breasts get rolled, squeezed, slapped and kicked.

If that wasn't enough, Shelly gets turned over to the amazonian harem mistress Sabrina. Shelly is held captive, and hangs helplessly as the muscular mistress relishes her prey, taunting, slapping, and whipping our defenseless heroine. Zorna and Quisha also join in on Shelly's humiliation. Shelly's large sweaty breasts quiver from Sabrina's blows over, as her arms strain from the weight of her dangling body. Will Sabrina finish off the helpless and tied up Shelly? Will Shelly escape to help the Shiek stop the Prince? The answer to these questions and your fantasies can be found on tape #161, "Rescue and Revenge", the exciting and sexy conclusion to the new adventures of Private Eye Shelly.

##### "Rescue and Revenge"

When we left Shelly on tape #160, she was bound and being teased and tortured by the harem mistress Sabrina. Shelly, still hanging from the beam, musters enough strength to ambush the savage Sabrina, by using the power of her long legs. But Sabrina eventually thwarts Shelly's gallant escape attempt. After inflicting more pain and humiliation, Sabrina leaves. Shelly is then rescued by her ample assistant Betty. As Shelly sets out to even the score with her captors, Betty is ambushed outside by Quisha, in one of our most beautiful yet savage fights. The struggle to dominate each other from the jacuzzi to the swimming pool. These glistening gals try to drown each other as we watch their breasts caressed by the water. They drag themselves out of the pool to continue the fight, the warm wind mixing with the cool water dripping from their chests, their skin shining like the diamonds these ladies are.

Meanwhile, Shelly finds Zorna up stairs in the house and it's time to even the score. Revenge is all Shelly can think about as these topless titans go at each other. Shelly uses her voluptuous size to overpower Zorna as they topple down the long, winding stairway to the living room floor. What a show these glorious grapples put on. Once Shelly binds Zorna up and beats her some more, Quisha enters the scene where the films' final battle royal takes place.

With Zorna half naked and tied up, she can only helplessly watch as Shelly extracts her revenge on the sweaty and writhing Quisha. Brutally and savagely, these two mammoth breasted women try to destroy each other, rolling over the bound and bruised Zorna. The three topless matches on this, perhaps our finest tape to date, will leave you with no doubts that DOUBLE TROUBLE always brings you the highest quality and the sexiest action in women's wrestling today. DOUBLE TROUBLE remains #1 in female combat videos and now, in full length feature films, too.

# BATTLE OF THE BLONDES

"What's this on my dress?" Trixie asks, confronting her roommate Gloria. "How would I know?" Gloria replies, "I don't wear your clothes." "Bullshit!" replies Trixie, "I saw you with this dress on last night. I've told you not to wear my clothes without my permission and now you're going to pay for it." "Say what?" Gloria responds. She's been itching to put Trixie in her place for quite awhile now, ever since Trixie propositioned Gloria's boyfriend and he told her about it. Bad blood between roommates is a terrible thing and before you know it, Gloria's doubling up her fists and threatening to knock Trixie on her lovely ass. That's the way our great catfight episode begins and as you will see, all the rules of ladylike conduct are abandoned!

Gloria gets two handfuls of blonde hair. Trixie throws Gloria down on the lounge chair. Gloria gets in a good hard slap to Trixie's face but then screams in pain when Trixie gets a handful of tit and really digs in her nails. Blouses are torn asunder, tempers rise and we're in for a real poolside bitch catfight.

And the fight rages! Trixie is a dirty fighter, even sinking her teeth into Gloria's hand, causing screams of pain and rage from Gloria, who looks like she's really getting the worst of the battle as Trixie locks her thighs around her neck in a mean leg lock. Gloria, knowing she's getting beaten, tries to flee but Trixie stops her with a swift kick to the ass. Then the girls grab each other in a hair pulling match, each threatening to snatch the other bald. Hair pulling isn't exactly ladylike behavior, and neither is brawling and cursing. But, when two gals get pissed off, things get very wild!

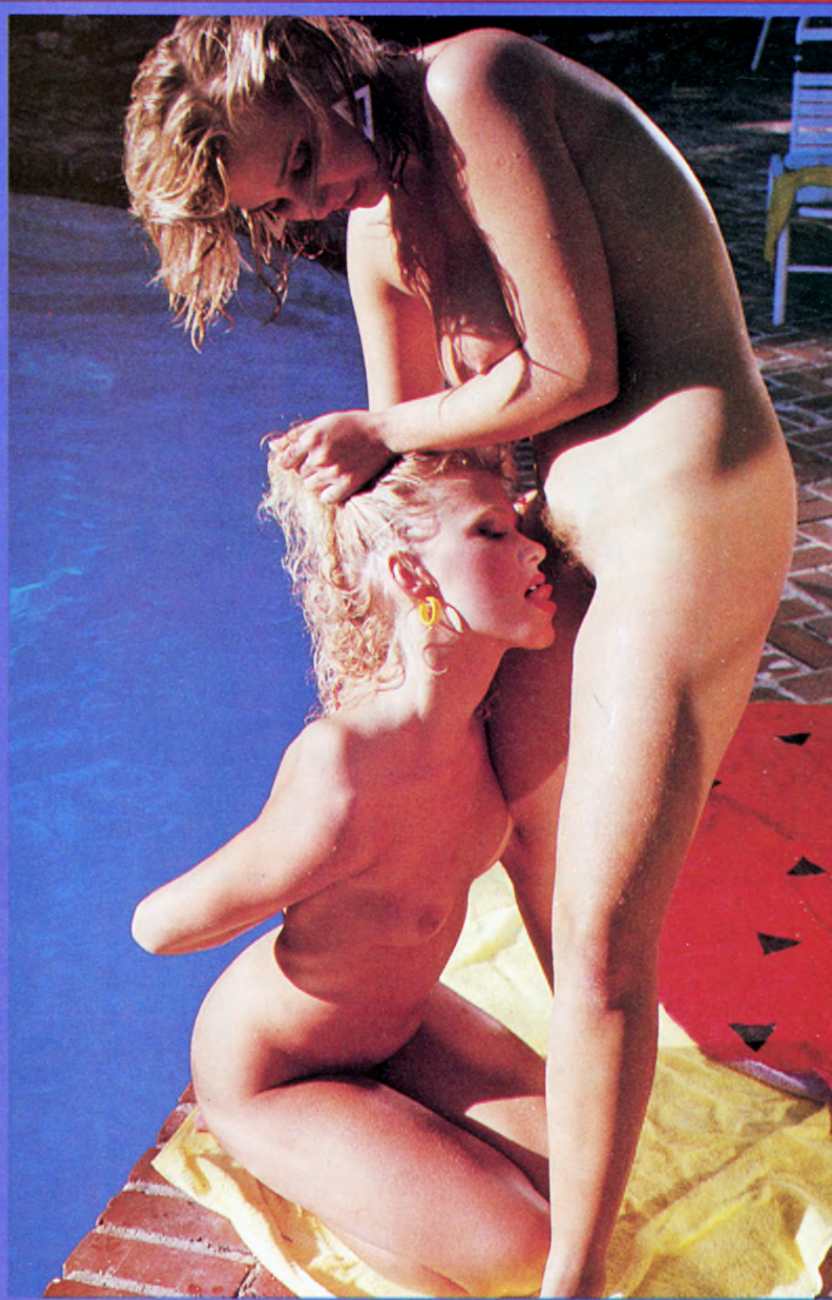

Since both girls' clothes are ruined, the battle now becomes one of domination, with Gloria obviously getting soundly beaten. But wait! Trixie tries a karate kick and Gloria gets her leg and knocks Trixie to the ground. Threatening to drown her, Gloria has Trixie begging her to let her go. Gloria isn't about to walk away from this battle without making Trixie pay for her brutality. "I'll let you go if you eat me," she demands, and as you can see, Trixie complies. Whether the girls will be friends again is doubtful, but we're sure there will be future battles. There usually are once women get a taste of catfighting.

*Anyone who has ever witnessed a catfight will agree that women are far more dangerous than men. They will use anything they can: nails, fists, teeth, feet...you name it! And even after victory they're never satisfied until the vanquished is completely humiliated. Gloria and Trixie aren't through yet with their fight to the finish.*

OUT TO KICK  
ASSES!

A conservative Latin American country might be the last place you'd expect to find wild catfighting, but in Rio de Janeiro's Club Zoom, the Brazilian brawlers are famous for their ferocity, skill and extremely beautiful bodies. These gals all look like centerfolds!

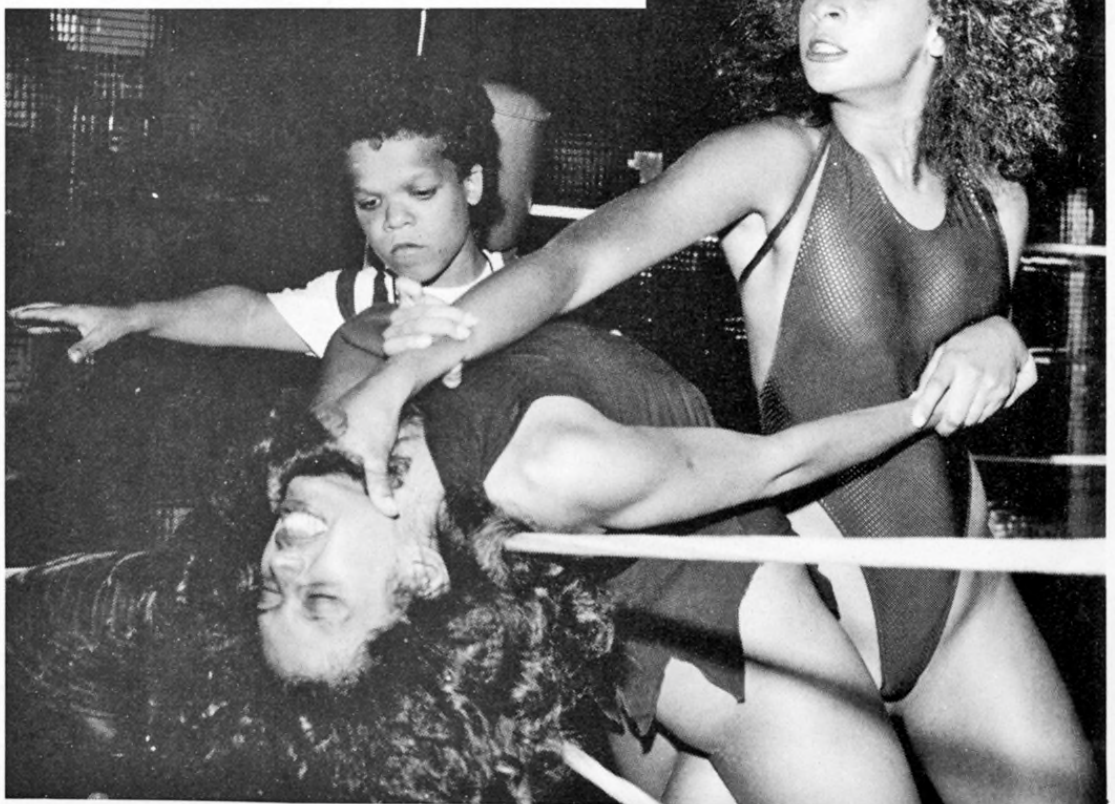

In a series of three-round matches, refereed by a no-nonsense female who is as rough when she separates the contenders as they are with each other, the women waste no time in getting into battle, with each others hair as a handy starting point. If you've dreamed of seeing gals who look like movie stars ripping each other to shreds, you'll love the variety of gals who make up the Ring Cats. There are blondes, redheads, brunettes...and they're all mean as hell!

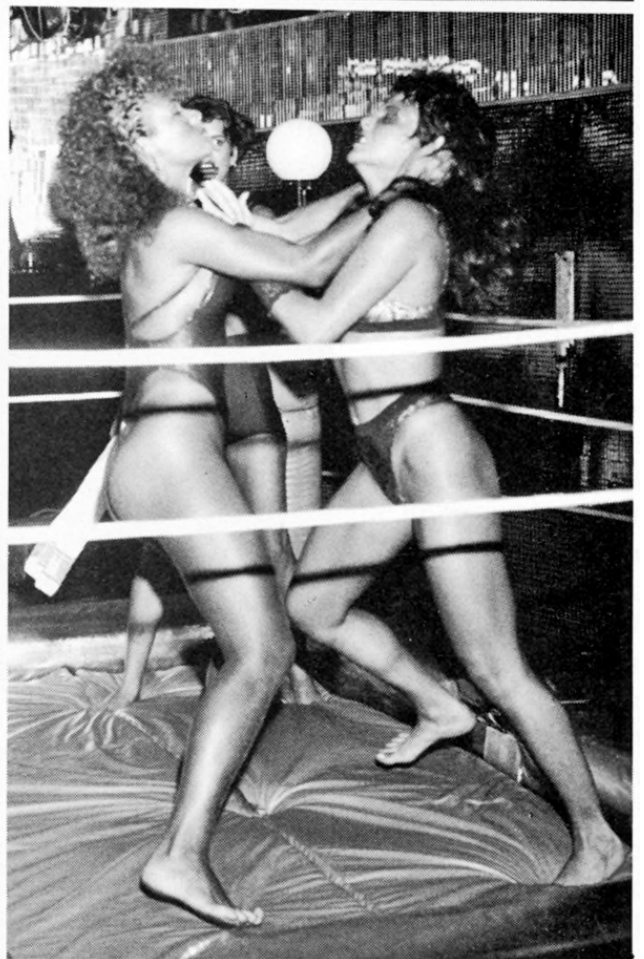

Although the Ring Cats fight for show, for the most part the wrestling is genuine. You will see a few choreographed moves straight from the professional wrestling circuit, like the body toss, left. But you'll also see a lot of hair pulling and scratching and choking, along with some devastating choke holds and leg scissors. But real rough stuff is quickly stopped by the referee who roughly pulls the gals apart.

**Screaming obscenities in Portuguese, these bikini clad beauties are out for blood. There are no holds barred at the Club Zoom matches and often the gals end up almost totally nude.**

# Looking for Trouble

Gloria went looking for trouble and she didn't have to go any further than her own backyard to find it with her roommate Trixie.

When Gloria runs across a letter her boyfriend has written to her friend Trixie, The shit hits the fan. But Trixie isn't about to take anything from Gloria and the fur starts to fly in this catfight. "This ought to cool you off, you cunt," Trixie declares as she turns the hose on Gloria's new dress. Then things really heat up.

Tits and hair are pulled indiscriminately and pretty soon the girls clothes are in shreds as they go for each others pussies with sharp nails. Trixie gets Gloria off balance at the pool's edge and the girls fall into the water, but that doesn't phase these two in the heat of battle. They're more pissed now than a couple of cats that have been tossed into the drink.

Being the better swimmer of the two, Trixie gained the upper hand in the water and held Gloria underwater until she almost drowned. After they got out of the pool, Trixie latched on to Gloria's long blonde hair until she admitted to defeat and agreed to do whatever the victor asked. "I'm not done with you yet," Trixie hisses. "Get down here and eat my pussy and think of your boyfriend's cock being buried in it while you're licking it," she says to Gloria. Defeated and humiliated, Gloria follows the instructions. As Gloria buries her face in Trixie's wet muff, Trixie smiles. To the victor go the spoils of battle and Gloria's are worth the fight. It is very obvious that whoever said women were the fairer sex, never saw two of them in a real catfight.

*What do porn stars Tiffany Storm and Leana Foxx do in their spare time? Well, sometimes they get together and beat each other to a pulp. At least that's what they're doing here. This is a no holds barred bitch battle.*

Cute and blonde Tiffany proves that she can fight as good as she fucks, and she does both with enthusiasm. Brunette Leana is no slouch in bed or in battle either.

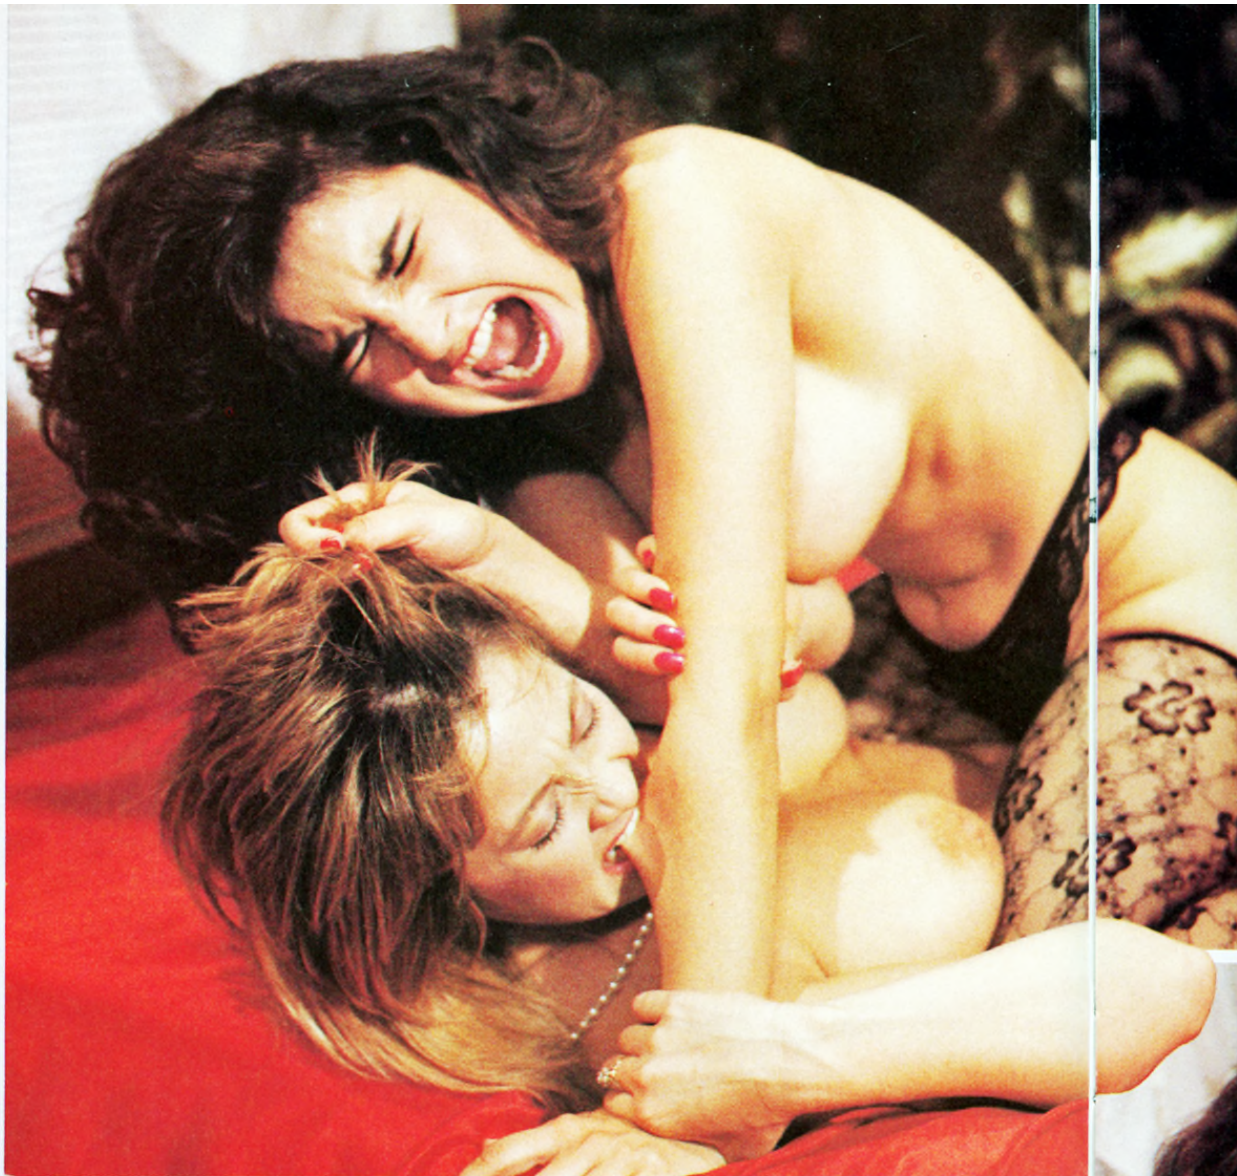

When a photographer sets out to film a catfight, sometimes he gets lucky and the girls get into the fight for real. That's exactly what happened when we paired two kittens who turned into wildcats.

Whether there was some jealousy or rivalry going on between our protagonists before, we can't say, but it is apparent these two spunky young ladies were out for blood. They pulled hair, bit each other, and scratched and mauled each other's tits unmercifully. We're just sorry to have missed the added thrill of hearing these two foul-mouthed vixens screaming and cursing like enraged, dangerous wildcats.

*The girls prove to be pretty evenly matched as first Leana, then Tiffany gets the upper hand and tries to force a humiliating defeat.*

Domination and humiliation, rather than mutilation, is the objective of catfight enthusiasts, but our two tough gals give us a bit of both...or try to as they go back and forth, scratching and squealing and trying to tear each other's tits off.

Nothing beats a catfight in the flesh, but for those who can't find the live stuff, this is the next best thing to being there.

# Black Beauty Barn Battle

• Two frequently mentioned “dream fights” by readers are black vs. black female fights, and a dream fight starring porn sex goddess Angel Kelly. Well, this layout, exclusively staged for *Cavalier*, starring Angel and Carmen, a new-comer, ought to satisfy every reader’s request. Of course, the whole scenario was staged and Kelly and Carmen hired for the occasion but little did we know that the action was going to get very real! Carmen finds Kelly out in the barn waiting for Carmen’s boyfriend, she accuses her, and all hell breaks loose. Up to this point, the gals were acting, but once Angel got a double handful of Carmen’s hair, she got pissed off! And in no time, the girls were calling each other names and the photographer stepped back away...

*After exhausting their wrestling holds, Carmen resorted to fists, and that's when the action really got rough. Angel saw red and Carmen knew that she was in for a really wild bitch battle.*

When two women get angry with each other, all of the rules go out the window, except for survival of the fittest. Carmen and Angel prove that the "gentle sex" can be a real mean, tough bitch. "I really got frightened after I punched Angel in the belly," Carmen says. "She screamed and told me she was going to tear my tits off!"

*In catfighting, humiliation is the name of the game, and Angel wreaks revenge on Carmen first by attacking her cunt and then sitting on her face until Carmen concedes that Angel is the better woman.*

In catfighting, physical domination is important but humiliation of your opponent is the real name of the game. Once Angel subdues Carmen, she attacks her most womanly parts, her tits and pussy. Then, as a final act of vengeance, she sits on Carmen's face until her opponent passes out from lack of oxygen. Somewhat worse for the wear herself, Angel says that she'll gladly take on Carmen again. We even stage a rematch, same spot, same rules, so keep reading to see which one of these battling beauties comes out on top and which is banished from the barn.

Angel has been mentioned before in some of our readers' "Dream Fights" letters as being a sure winner, and sure enough. This time she gets the upper hand on Carmen and succeeds in conquering her in a humiliating but erotic face squat until her rival is out cold. And so another sexy and exciting catfight ends just the way we like it... with a humiliating defeat.

# FIGHTING MAD

As all catfighting fans know, when two enraged women go at it, anything can (and usually does) happen. But the better woman always prevails.

From tit gouging to hair pulling to pussy mauling, a determined catfighter will stop at nothing until she has completely dominated and humiliated her beaten foe. Of course, many vanquished women have found their humiliation to be a turn-on.

# Catfight Gore Galore

Catfighting videos are hot, and Triumph Studios burns up the tape with *Menu Please*, a recent release.

Many top porno stars occasionally opt for performing in catfight movies and videos, a handy way to make extra bucks and a lot of fun for those who are really into combat, which Tantala, who specializes in playing wicked, older women in other X-rated videos, seems to be. She's a tough, nasty-mouthed woman who gives all of her performances everything she has including, in this one, shoving a tuna sandwich down the waitresses throat. And since the major objective of catfights is the eroticism and humiliation, Tantala obliges on that score too. This video comes to us compliments of Triumph Studios, makers of the best in catfight videos.

• Catfighting videos have become hot sellers among fans of female combat and Triumph Studios leads the field with quality and realism. These shots are from one of their most recent releases. Titled *Menu Please*, we see steamy porn star Tantala sitting quietly in a restaurant, waiting for service. The waitress ignores her, which gets the redheaded Tantala's dander up. A savage, non-stop battle begins and the two tigresses are soon down on the floor, pulling hair and flashing panty-clad pussies and they proceed to demolish each other in one of the most exciting catfight segments on record. Redheaded Tantala upholds the reputation of hot blooded and fiery flame haired women everywhere as she proceeds to trounce the bejeezus out of her blonde rival who hopefully learns to improve her manners and service.

*Happy Birthday. Bitch!*

*When Marilyn catches her arch-rival, Rita, helping herself to Marilyn's boyfriend Brad's surprise birthday cake, she goes wild! She's already heard that Rita has been helping herself to pieces of Brad.*

"You bitch!" Marilyn screamed when she saw Rita digging into the cake, "I spent all fucking day baking that cake for Brad!" "Tough shit," Rita replied, "Brad doesn't happen to care whether you baked him a cake or not." With that Marilyn grabbed Rita's hair ribbon, getting a tit full of cake in' the bargain, and the fight was on! Our two buxom beauties soon have each others dresses ripped to ribbons, exposing their big, luscious tits, and soft bellies. When two women are fighting over a man, there are no holds barred and Marilyn soon gets a choke hold on Rita's beads before Rita gets a handful of Marilyn's pubic hair and pulls.

# Trinity & Stacey: Superstar Slugfest

**T**hough it may surprise many segments of our society, girls today are capable of committing extreme acts of violence. Just as women have begun to take active roles in business and in sports, many members of the so-called "weaker" sex have also been engaging in physical confrontations, to the delight of men who find the action titillating. One such encounter took place recently when popular blonde porn star Trinity Loren hooked up with a beautiful and well-endowed brunette model from England named Stacey Owen. The two had been scheduled to do a girl/girl photo layout together, but when they met for the first time they couldn't decide who would get top billing. Their bickering soon escalated into name-calling and before our photographer knew what was happening, the two were going at it like a couple of back alley sluts. Well, luckily for us, his instincts took over and rather than trying to separate the girls, he just began clicking away. The action was fast and furious, but our lensman captured it all.

**T**rinity has more experience than Stacey when it comes to catfighting and it showed early in the fight as Trinity mauled Stacey with vicious hair pulls, hammerlocks and choke holds. Trinity appeared on her way to disproving the long-held belief that brunettes are tougher than blondes.

*Whenever a blonde goes at it with a brunette, most people figure the blonde hasn't got a chance. The outcome of this fight did nothing to dispel that belief.*

This is such a fabulous fight, we think both gals could have new careers if they wanted to. Imagine how Trinity and Stacey would pack a fight arena. "Stacey almost pulled my hair out," Trinity complained afterwards. I thought we were just kidding at first, but then I got pissed off. I guess that's why I lost. I got really upset," Stacey was thrilled that she won and took advantage of the situation by crotch squatting on Trinity's face. If you're looking for a rematch, you can find it on page 105.

## OF WOMEN'S COMBAT

Bodybuilders and Beauties Clash in the Ring

*Nothing Staged*

*Nothing Faked*

☐ **V005-'86 VSL Lightweight Tournament.** This one has it all: 90 minutes of high excitement as these 5 beautiful young athletes tackle each other in the ring. The video takes you to an informal training session the day before the match, then onto the mats for some of the most intense wrestling on tape today. Round 2 sends one of the contenders to the hospital, and brings in a surprise competitor for round 3. Don't miss these bikini-clad hardbodies in action! **\$69**

☐ **V006-'86 VSL Heavyweight Tournament-** Turn these women loose in the ring and you have a real power struggle. Each woman brings special assets to the match: the crushing strength of bodybuilders, the speed and agility of basketball players, the skills of professional wrestlers. The combinations make for unexpected turns and surprising upsets. 90 minutes of sheer pleasure for lovers of powerful women. **\$69**

☐ **V016-'88 VSL Middleweight Tournament-** The big-busted blonde surfer, the lithe Canadian dancer, the slender blonde singer and the well-muscled teenager from Tennessee: all four competitors take it to the limit in this 2 hour struggle for supremacy. The grueling finish is a triumph of will over weight—a real cliff hanger! **\$89**

### The 1988 GMC Middleweight Topless Boxing Tournament

☐ **V017- The Elimination Matches** German Mat Club fans will recognize the names of their favorites in this lineup: ever popular Petsi, the slender brunette Andrea, voluptuous blondes Rita and Karen, lovely Rika and the well-endowed Shannon, slender blonde Sabine and the former centerfold Cryss. It is a stellar lineup that doesn't disappoint as these aggressive women box their way into the semi-finals in a sport where only the strong survive. **\$69**

☐ **V018- The Semi-Finals & Finals** The action heats to a fever pitch as the semi-finalists slug their way into the finals. The last match becomes a Clash of the Titans as the top two fighters come together. Old friends with old scores to settle, the women trade blows, knockdowns, and tears for six of the toughest rounds in the history of the GMC - with a finale strong enough to give chills to the most hardened boxing fan. **\$69**

☐ Order V017 and V018 together for the special package price of **\$99!**

*A Magazine Style Video*

**The First "Video Magazine" on the  
World of Female Combat!**

The skyrocketing popularity of so-called "video magazines" – intimate, documentary-type programs about little known subjects – prompted us to create "THE MAKING OF A VIDEO," an expose on the lives of the world's most awesome mat maidens.

This exclusive "first" is a virtual FEAST for any fan of femme fighters – an up-close, personal, behind-the-scenes look at what's it like to be a woman warrior. Follow us as we take you into a world few people even know about!

Ring legend TANTALA is your hostess for this one-of-a-kind adventure. You'll know – intimately – what it's like to be a "brawling babe" as our private cameras capture the most awesomely built and talented dominas in action. Highlights include:

- The most gorgeous fighters – warming up, working out, and modeling their sexiest outfits – just for this special feature!
- One-on-one interviews with the girls – up-close and personal!
- Select matches between top contenders; including D-cuppers and interracial matches!
- Boxing bombshells!
- Letters from fans of the scene – read on-camera by Tantara herself!
- Vintage footage of some of the greatest bouts we've ever recorded!
- Six complete high voltage matches!

We'd be the last people to "toot our own horns," but we have to admit – this exclusive feature is destined to be a classic!

**Although Cavalier has become the ultimate forum for female boxing fanatics, women have been beating the stuffing out of each other since the dawn of time. This collection of fight photos from the '50s should create some nostalgia...**

No fancy gymnasiums or publicity hype in this candid mud fight from Germany back in the '50s. The gals gathered at a muddy river bank and proceeded to whale the crap out of each other. What the photographer lacks in skill, the gals more than make up for in enthusiasm. We're sure a lot of boners were raised when this photo set was offered back in the days when material was scarce.

Apartment house boxing and wrestling were popular forty years ago. Here we see two ladies dressed in lingerie of the period, punching each other's faces into hamburger helper. Our thanks to Triumph Studios, 7135 Alabama Ave., Canoga Park, California, 91303 for the loan of these photos from their vast collection. For a catalog of Triumph's fight sets, both old and new, send \$3.00 to them.

# Winners & Losers

by V.G. "Joe" Hobbs

*As she held his arm  
against her heaving tits,  
he caught that pungent,  
unmistakable aroma of a  
woman in heat.*

On Fourth Street just off Broadway across from the Horton Plaza in downtown San Diego is the Apache Bar & Lounge. From six until ten every evening, that same fellow could be found there, sitting at the far end of the bar on the one stool against the wall. He sipped tall, cold screwdrivers and watched the barmaid Julia as she scampered back and forth

ILLUSTRATION BY  
MICHAEL KIRWAN

behind the bar. Julia was young, beautiful and a delight to watch. In her early twenties, she was the sexiest woman he'd ever seen. She had coal-black hair cropped short and styled in the "messy is sexy" style that was becoming very popular in Southern California. Her hair framed a little-girl face of almost angelic beauty with sharply contrasting green eyes, a small slightly upturned nose and lush lips. The little-girl look belied the lush curves of her voluptuous body.

She was dressed in a sheer blouse with a low, square-cut front and very snug shorts. Her long, sleek legs seemed to go on forever. She exuded a moist heat that set his teeth on edge and was slowly driving him wild. He had been coming to the Apache for over a month, per-

sistently putting his moves on Julia, but his persistence had been met with friendly yet cool refusal.

Julia had just served him a drink and was standing across the bar, leaning toward him. He was making a futile effort to not stare too obviously at her tits when he saw a woman come in, take a stool near the middle of the bar, slam her hand on the bar and sharply demand, "Little service down here, Mama! I ain't got time to wait while you bullshit with that wimp!" Before Julia turned away from him, he saw a look of apprehension in her eyes.

He was not a man to form quick judgements, but there was little room for misjudging the big woman. Her orange-red hair was cut in a masculine style, her wide florid face had not a trace of

makeup and she was dressed in a black leather jacket, snug jeans and heavy biker boots. This woman obviously intimidated Julia.

As Julia set a drink before the big woman, she shook her head at something the woman said. The big woman reached to capture one of Julia's hands and leaned close to repeat what she had said. When Julia again shook her head, the big woman exploded. Pulling Julia toward her roughly with one hand, she slapped Julia with the other, driving Julia back against the wall. She growled at Julia, "You bitch, I'm tired of fucking with you! You're gonna get your business straight with me, now!"

Shocked, acting instinctively, he came to his feet, yelling at the woman, "Hey! What the hell's wrong with you? Cut out that rough shit!" Instantly, the big woman turned her attention to him. She headed down the bar toward him, an eager, menacing grin on her face.

"You want some of it, motherfucker? You stick your nose in my business and I'll cripple you!" she said. He was totally unprepared when the big woman suddenly lashed out with a fist, clipping him neatly on the jaw. Rockets went off inside his head as he bounced off the wall behind him. Only reflex and instinct saved him.

Though stunned, he saw the big fist coming again, looping toward him from over her right shoulder. He knew that if she hit him again it would be all over. He moved his head slightly to the left and felt the fist take some skin off his right ear as it whistled by, crashing into the wall behind him with a sickening crunch. He heard the big woman grunt with pain as he set himself, slammed a right in under her ribs, then pivoted and landed a left hook to the jaw. The woman crumpled to the floor at his feet.

His head cleared slowly as he looked down at the woman, hoping she wouldn't get up. He tensed when he felt hands on his arm. He turned and saw Julia was standing close. She gripped his upper arm and pulled it into the warm cushion of her big, beautiful tits. He felt her body trembling. He looked into her face and immediately saw that the trembling was not caused by fear or apprehension, but by sexual arousal.

Her green eyes were hot and smoky as

"I never noticed that constellation before!"

## WINNERS & LOSERS

she gazed at the woman on the floor, then up into his face. Her nostrils were flared, her lush lips were moist and parted, and as she held his arm against her heaving tits, he caught that pungent, unmistakable aroma of a woman in heat. Her voice husky, she said, "Come on, let's get out of here!" She tugging him toward the exit with surprising strength.

He allowed her to lead him out of the bar onto the street, and to a cab parked at the curb. In the cab, sitting close, she asked, "Where are you staying?"

"The Travel Lodge on Pacific Highway, the one next door to Dirty Dan's." Twenty minutes later they entered his suite at the Travel Lodge Motel. Five minutes after that they were standing naked by the bed, her arms high around his neck, her lips pressed to his. Her warm, sleek body molded to his. Her hips thrust forward as she moaned into his mouth.

His cock was achingly erect and trapped between their bodies. As it pulsed into the soft curve of her belly, she took a half step back to gaze down at it. Her hand then grasped it. She squeezed the base of the thick shaft and she whispered, "Oh, it's big and beautiful!" Suddenly, dropping to her knees, she took the full length of his cock into her warm, wet mouth. While her tongue flicked and darted, her hands clutched his ass-cheeks. Her head bobbed back and forth as her warm, wet lips slid up and down the length of his cock. Expertly, she quickly brought him to the edge.

Feeling himself reach the point of no return, he croaked, "Wait! Stop! I'm coming!" But she only gripped him tighter as her head bobbed faster. When he came in a searing gush, he felt her throat muscles contract around the head of his cock. She swallowed rapidly, greedily, releasing him only after he was drained.

She released him reluctantly, letting the bulbous head squeeze from between her lips with a wet *plop*. Then she stood up, moved close and again pressed her wet, bruised lips to his. He put his hands on the swell of her hips and pushed her back. For a moment, she stood quietly as he took in the beauty of her luscious body.

Her tits were large and firm with no sag, the nipples dark and swollen. Her stomach was flat and her smooth belly curved softly before dipping into the thickest, blackest pubic patch he'd ever seen. Her thighs were sleek and strong. He reached to touch the dense, dark curls and at his touch she pushed her pelvis hard against his hand before coming fully against him and squirming into him.

Holding him, she moved back toward the bed and released him. She sank back onto the bed, raised one knee and let it fall to the side. She watched his face with smoky expectant eyes. He leaned over her to touch her navel with his lips. His tongue darted and one hand slid up along her sleek thigh toward the moist mound of her pussy. She placed a hand on his head and, pushing downward, murmured, "Do that. Eat me."

As he dipped his head into her snatch, she dug her heels into his back. He buried his face into the dark, dense mat of curls and moved his lips from side to side, working through the damp tangle until his lips found hot, slick flesh. Then he probed between the wet and swollen lips with his tongue, pushing in and up. As his tongue flicked at the little nub just inside her, he felt her body jerk and quiver.

Her fingers clutched his hair and her pussy moved in tiny, tight circles. Hoarsely, she muttered, "Oh God! Oh yes, that's so good!"

He sucked and licked at her sopping cunt while his hands grasped her tensed, quivering asscheeks. When he pushed a finger into her anus, she groaned; he knew she now wanted something more than a tongue or finger inside her.

He moved onto the bed and kneeled between her spread thighs. Her hooded eyes centered on his erect, throbbing cock. As he hovered above her, she reached down to encircle his shaft with her fingers. She guided him into her and whispered, "Hurry! Put it in me!" He lowered himself onto her while adjusting her hips just so. His cock slid easily between her slippery, swollen pussylips.

As he plunged into her, she wrapped her arms and legs around him, taking his cock into the hilt. The electric thrill of insertion gripped him, and he gasped, "Wait! Be still!"

She clung to him until he could regain control. As soon as she felt the tension in

him ease she began to move. She said to him, "Now! Fuck me now, hard!" He did. Planting his elbows and knees, he fucked her savagely, thrusting in and out with long, deep strokes.

Moving relentlessly in and out of her, he raised to watch her face. Her head was back on the pillow and her eyes were wide and staring blankly. Soon he felt the tremors in her body begin. Her head fell further back on her neck and her eyelids fluttered, then closed. Her little grunts became moans and built into a muted wail as she quivered beneath him.

As the ecstasy gripped her, he let himself go, increasing his pace until he was driving in and out of her with almost brutal force. When her wailing became a gurgling scream, the inner muscles of her pussy gripped his cock like tiny, hot fingers. Finally, he came, jetting into her like a bursting dam. He felt as if his entire insides, every bone and muscle, had turned to hot, thick spunk.

Long after he was drained, she continued to move beneath him, savoring the remnants of the orgasmic throes that had racked her. Only after these throes had subsided did she relax. With her holding his cock deep inside, they lay clinging together.

When he awoke, she was gone. Only the musty fragrance of her in the damp sheets remained. The sun colored the drapes a glaring white, but when he closed his eyes, the glare was replaced with the image of her long, voluptuous body. It had been, he told himself, as great as he'd known it would be. He'd wanted her since the first time he'd seen her in the Apache Lounge. Much later he got up, showered, dressed and went out. Thoughts of Julia and a possible repeat of the night before dominated his thoughts.

He first went to the Apache but only the day-shift barmaid was there. She told him that Julia had been in earlier with another woman but had left, saying something about getting lunch. He left the Apache and went to Fourth Street toward Horton's Restaurant. A half-block from Horton's he saw Julia and the big woman who had attacked him come out of Horton's. They stood for a moment, then walked away, arm in arm. A sick, confused feeling came over him.

He quickened his pace, and as he turned the corner he saw Julia enter a cab. The big woman, still dressed in

leather jacket, jeans and biker boots, leaned into the cab, withdrew and slammed the door as the cab pulled away. Turning, she spotted him and came toward him. From three feet, seeing him tense, she raised both hands shoulder-high, palms outward and said smiling, "Whoa, cool it! I'm not looking for a rematch." He relaxed. Seeing the confusion on his face, she said, "Come on, I'll buy you a cup of coffee—a peace offering—and we can talk, okay?"

In Horton's, sitting across from each other, she told him, "You gotta understand about Julia and me. We've been together, off and on, since she came here from Dallas four years ago. It's a game, and that thing between you and me last night was part of the game. It's the only game that turns Julia on, that lets her get off."

She sipped her coffee, watching him over the rim of the cup and feeling the need to say something. He asked, "It's sort of a rough game to play, isn't it?"

"Yeah, it is." Touching the bruise on her jaw with a grin she said, "Especially when you run into a guy who knows how to handle himself." She paused, her grin fading and added, "But, it's our game,

mine and Julia's, and if that's what it takes I can handle it." Her eyes met his and she said, "She's worth it, wouldn't you agree?"

"Yeah," he answered softly. "She's worth it—once, but not as a steady diet."

"Well, that's you, this is me and that's how it goes—you gotta have winners, you gotta have losers. Next time I may win, and the wins make up for the losses where Julia's concerned."

"Not me, lady! I'll find me a game where everyone wins."

There was a hint of sadness in the big woman's eyes as she replied, "No such game in this life, far as I know."

He didn't bother to disagree because he thought she might be right.

He returned to his suite in the motel that evening, knowing it would be a dull night compared with the previous one. But didn't feel like trying to find Julia or anyone else. As he entered the bedroom, his heart raced at the sight of Julia stretched out on his bed in all her naked beauty. He just stood there staring wide-eyed as she smiled, reached toward him and said, "Come on in here! Alma may not have wanted a rematch, but I certainly do!" □

# Debutante's Brawl

*Well known stars  
Brittany and Tiffany  
Play two debbs who  
get into a bitch battle  
at the sorority house  
over a guy they both  
have the hots for.*

The only thing that makes a gal more angry than being two-timed, is having her clothes torn off and soon Brittany and Tiffany are going at it for real. Both actresses obviously enjoy a bit of a tussle. Once you get a couple of women started, all you have to do is sit back and keep the camera steady as their natural animal instincts take over. Tiffany rips Brittany's panties off revealing that she has shaved off her pubic hair.

Tiffany, obviously the more athletic of the two, dominates the action up to the very end. But, here it appears that Brittany has gotten a death grip on Tiffany's neck, bending her down the stairs and threatening to rip her tits off. In the finale, though, it is Tiffany on top as she demands that Brittany commit the final act of subservience, eating the pussy that will soon be Roger's, unless Tiffany has a change of taste.

## Topless Wrestling

### GM 2127 60 Mins. \$65 Five Matches

CONNY (19) gives her experienced opponent SABINE a real merciless beating and tortures her nearly throughout, with very effective choke-holds. Two novices: full-breasted TINI (25) and rival SONNI (30) fight it out on the mat. A very rough and wild competition! Two young and fantastic looking beauties battle in a splendid match on the mat: IRA fights 18-year old HENNY (owner of some of the most

exciting breasts ever seen in a wrestling match). SUSANNE, a good-looking heavy-weight wrestler, her first match against strong and much younger ALEXANDRA. The cautious newcomer soon overpowers her experienced rival and finishes her after exciting and rough action. Again two beauties are matched against each other: HENNY in her first tournament accepts challenge from pretty SABINE. We promise a "festival" for the fans of good-looking young ladies with well-rounded breasts (a must!)

### GM 2115 50 Mins. \$65 5 Matches

A bitter dual between two young guests: CONNY (19) comes from Nuremberg and has to absorb a lot of punishment from CARMEN (22) who traveled from the German Dem. Republic as our very first guest after the falling-down of the iron-curtain. A superb match! LISSY in her mid-forties challenges daughter MONIKA and gives her a match to remember. Older sister HANNI and her younger CAROLA battle for the victory but a solid draw ends the wild tussle. The Two "seniors" LISSY and HANNI (45/36) prove that they can at least be as aggressive as their younger competitors. Their match is hard fought and full of fantastic and rough action. Finally, full-breasted KARIN accepts the challenge of a guest from Frankfurt SUSI. The experienced blonde uses very effective tactics and squeezes her short-haired rival with powerful leg-scissors but falls victim to a suddenly executed controlling hold. Two beautiful young amazons!

### GM 2069 50 Mins. \$65 Two Semi-Finals + Final

SALLY attacks NADIA with good body-and head blows SANDRA beats the scowl off BEATE's face. Twice SALLY is downed by tremendous face-hits from SANDRA but she recovers and gamely fights back. Finally the ref has to count out the helpless loser who has to be helped out of the ring.

### GM 2067 45 Mins. \$65 Two Semi-Finals + Final

PETSI brutally hammers poor RICA into submission. RICA is completely out and sobbing from the pain she suffered. RITA gives SABINE no chance to reach the (well-paid) final. PETSI: RITA the fight of the day! K.O. decision only, 8 oz. gloves—Petsi gives her opponent a bout to remember but also has to take a lot of punishment. In round 6 the loser flops to the canvas and remains half-conscious for minutes. A great close-up!

The BX-Series are a real unique document for the fans of genuine female BOXING! They are filmed during LIVE-TOURNAMENTS in various European Cities (Munich, Berlin, Hamburg, London etc.) always in public halls or gyms with thousands of excited spectators around the ring.

### BX 1014 30 Mins. \$65 Two boxing-fights

The absolute climax: sheer brutality! ANGIE: HEIDI over 8 rounds of blood, sweat and tears as never before seen; unbelievable that young ladies hit each other so hard/British champ SUE challenges KARIN HECK. The iron-hard German gets the beating of her life and the ref has to rush to her aid in round 4 to save the sobbing Karin from permanent breast-injuries.

## Naked Wrestling

### GM 2102 50 Mins. \$65

#### Three Matches

SHANAN: ALEXANDRA a high-ranked match with a very aggressive Alex who gets her rival in serious trouble but finally Shanana finishes her at will / PETSI gets matched with novice MAGDA and has to execute all of her best weapons to reach a draw / KARIN: ANGELA a super-rough match and Angela shows no respect. She is caught into Karin's deadly scissors and suffers a lot of pain but she fights back. Karin continues with a bloody mouth and gets the final decision.

### GM 2129 45 Mins.

#### \$65 3 Matches

Another three lovely teenagers: ALEXANDRA-IRA-VANESSA in a small tournament with great matches of a high standard. They really fight like wild-cats and at the end Italian beauty Vanessa comes out as winner nevertheless she has to absorb a very painfully injured knee. All matches are barefoot.

### GM 2117 Approx.

#### 50 Mins. \$65

#### Two Matches

HANNI, a 32 year old novice is in for a pretty rough time but SHANAN has to use all of her experience to beat the strong lady / PETSI: SILKE too much for the game teenager. Petsi gives her a lesson and finishes her completely.

## INTERNATIONAL WRESTLING from England

### FV61 THE GIRL NEXT DOOR

A privately commissioned fantasy story tape which embraces wrestling female v female and male v female spiced with some great straddle pin sessions. Super sexy black American Jasmina stars with new Anglo-Chinese beauty Mandy. Jasmina shows why she is rated so sexy as she really enjoys herself on top of Mandy and Dick, clamping her thighs and crotch over their faces in some superb holds. Both girls show their superb breasts and curves wearing only the briefest of costumes during some very sensual pins and straddle face sitting. 61 mins \$69.95

### FV40 MITZI'S TROUBLES

Buxom Scottish brunette Mitzi wants to leave the house, but blonde and busty Brenda is still working out. Impatience leads to a rip-roaring bedroom catfight with plenty of hair-pulling. Off come the tops and out come the tempers. Both girls know how to dish it out and you'll love the decisive ending. 61 mins. \$69.95

### E2 OIL & EROTICA

Two girls face each other in the center of the mat, each armed with nothing more than a bottle of baby oil. Before long you are witness to a glistening writhing heap of female flesh as these dolls go all the way. And the erotic wrestling matches are no less explicit - these girls just do what comes naturally! 60 mins. \$69.95

### M3 MIXED WRESTLING

This time more competitive action as the girls, all topless, take on the guys. Tough girl Sherry soon shows John that you have to be fit and strong to take her on. Sherry clamps on some great holds to torture her opponent. Mark tries very hard but finds the heavier Helen just too much in every sense as she shows her developing power and obvious enjoyment in this type of match. Scottish-born Mitzi faces John in her first mixed bout. Big breasted Mitzi stretches him in a good competitive match which she really enjoys. 58 mins. \$69.95

## INTERNATIONAL BOXING

### FV30 TOPLESS BOXING

Held in Festelle's new ring before a live audience, these matches are without doubt the highest quality you can find from anywhere. In all our boxing tapes the girls wear specially designed boxing shorts adding form-hugging authenticity, boxing boots and 8-ounce gloves. Properly seconded, they light to win, producing real knockouts - no light tapping of gloves here! This video includes the most remarkable fight we have ever seen, in which Giovanna, in the ring for the first time, puts up the very bravest resistance to a pounding from Sandra. You'll wince as you see and hear the blows land. We respectfully suggest it will become an all-time classic. 58 mins.. \$69.95

### ASIAN CONNECTION #51 MANILA VS. ANGELES CITY BOXING TOURNAMENT

This tape is a direct result of the many requests I've received for additional boxing videos. It features a tournament between girls from two different cities. They are boxing not only for cash but for the pride of their respective cities. Three separate fights are scheduled for 5 rounds each. The boxing takes place outdoors in front of a small crowd. There are a number of knockdowns during the course of this tournament. In addition there was some topless action during the second fight. All the action is for real as the girls don't want to lose in front of their team-mates. A cash bonus was offered to the winning team. 55 mins. \$65.95

### ASIAN CONNECTION #70

This tape features 6 exciting boxing bouts. Girls from different disco's meet in a neutral disco to slug it out. Many of these bouts are in fact grudge fights. The girls put out 110% effort fighting in front of their friends and spectators. This is not "Foxy Boxing". This is the real thing where the girls are trying for a knockout. Bouts are scheduled for 3 rounds though they don't always go the distance. This tape will have you sitting on the edge of your chair cheering for your favorite. 53 mins. \$65.00

# Superstar Rematch

After a brief rest to catch their breaths from their first battle on page 69, Trinity Loren and Stacey Owen return to settle their score and create a few scars.

"Keerist!" one reader wrote, "I have seen catfights in my day and some damn good pictorials in Cavalier, but I never dreamed I'd see the two sexiest bitches in porn beating the shit out of each other." Well, not only did we nab these two tittiful gals, both of whom have been featured in glamour layouts in Gent and Cavalier over the past few years, but they readily agreed to a rematch. Not only do these gals love to fuck, but they discovered they like to fight, too, much to our readers delight.

*Our storyline quickly dis-integrated as Trinity and Stacey skipped the preliminaries and got right into biting and squealing, hair pulling and rough tit punching.*

Trinity, who every aficionado of X-rated videos knows, took a short vacation from modeling and acting and reappeared about a year later with a new nose (acquired through plastic surgery) and the same big beautiful tits she had before (her measurements are 40-26-36). Stacey was visiting from her native England and knocking Los Angeles photographers dead with her 42-24-36 figure and beautiful face. Ron Vogel had been commissioned by us to do a catfight shoot based on some of our readers mail and he booked them for the job, which turned out to be a pleasure for everyone involved.

***Trinity was hellbent on disproving once and for all the old myth that brunettes are tougher than blondes. After the number she did on Stacey, she won't get an argument from us.***

It went like this: "You bitch," Trinity said to Stacey, "I've been wanting to take you on ever since you beat me badly the last time." "Fat bloody chance you'll beat me," Stacey said. "I had three tough brothers and I know how to handle myself," All-America Trinity wasn't about to take that lying down from some "Limey cunt," as she called her. In spite of the fact that Stacey had the advantage of weight and knew some pretty mean tricks, Trinity hung in there and finally managed to get on top. With two hands full of tit, she bit and scratched and pulled until Stacey was in too much pain to continue. She already had Stacey groggy when she threw her on the bed and Stacey's head hit the headboard. Then Trinity really went in for the kill. A triumphant Trinity, right, says she'll kick Stacey's ass anytime.
